As soon as I get it...he didn't have a card. Our kind of guy...trimming all trees...removed dead tree...eventually going to line up trailers along the street so we don't look at trash dumpsters, says he wants to be a good neighbor.

Can you share the name & contact info for the "manager of that lot"? (For my file.) Good email! Thanks.

Good Morning Omar,

Just a formal thank you for working with the Airport to take care of the tree issues we have been experiencing. I also appreciate you making arrangements for us to meet the manager of that lot so we can forge a relationship that will ultimately serve the community.

I like the way you get things done!

Miki
